1. ISIMM prizes 2016.

Dear ISIMM Member,

as you remember the *ISIMM Prize* was awarded to Jerald LaVerne Ericksen in 2010, to Ingo Müller in 2012, and to Constantine M. Dafermos in 2014. In addition, the first *ISIMM Junior Prize* was awarded in 2014 to Elisabetta Rocca and Stefan Neukamm.

We decided to award new editions of these prizes on the occasion of the STAMM 2016.

The Executive Committee of ISIMM has just selected the two awardees. These are

- Professor Roger Temam (Indiana University, Bloomington, USA), awarded the ISIMM Prize 2016, and
- Professor Antonio Segatti (University of Pavia, Italy), awarded the ISIMM Junior Prize 2016.

While congratulating them on behalf of the Society, we remember that they will be invited to take part at the prize session of the next STAMM (planned in Rome for Sept 5-9, 2016) and present a talk.

With our best wishes,

Augusto Visintin (President),
Ulisse Stefanelli (Secretary-Treasurer)
