STAMM 2014 in Poitiers

As already communicated, the Symposium on Trends in Application of Mathematics to Mechanics (STAMM), which is the regular meeting of our society, will be held in Poitiers (France),

from Monday, Sept. 9 (9 AM) to Thursday, Sept. 11 (1 PM), 2014.

On that occasion we shall have a large number of invited talks, communications, poster sections, and so on. The senior and junior ISIMM-prizes will be awarded and we will have an assembly in which we shall consider the future of the society, possibly including amendments of the constitution.

We invite all interested contributors to send a title and an abstract to Ulisse Stefanelli (ulisse.stefanelli@univie.ac.at) before June 30, 2014. Notifications of acceptance will be delivered shortly afterwards.

Participants are invited to

register on the STAMM web-site:

<http://www-math.sp2mi.univ-poitiers.fr/STAMM2014/en/>

where further information is available.

With our best wishes,

Augusto Visintin (President),

Ulisse Stefanelli (Secretary-Treasurer)
