1. New terms for the partial renewal of the Executive Committee.

As we communicated in the last Newsletter, we shall elect 5 new members of the EC. We are keeping the terms open, since so far we have not yet attained a sufficient number of candidates.

Each candidate should

- (i) write to the secretary-treasurer (ulisse.stefanelli@univie.ac.at) an email stating his/her intention to be a candidate
- (ii) submit a one-page pdf document illustrating his CV by the same email.

New deadline for submission: November 21, 2016.

The names of the candidates for the presidency and for the Executive Committee will be communicated jointly with their CVs by the next Newsletter, at the end of November.

2. New members.

We are indeed pleased to welcome the new members:

- Prof. Dr. Helmut Abels (Regensburg),
- Dr. Mattia Bacca (Santa Barbara),
- Prof. Dr. Takeshi Fukao (Kyoto),
- Dr. Giuliano Lazzaroni (SISSA),
- Prof. Dr. Gaetano Napoli (Lecce),
- Dr. Marita Thomas (WIAS),
- Prof. Dr. Dominic Vella (Oxford).

3. Obituary for Gérard Maugin.

With great regret we have learned that our esteemed member Prof. Gérard Maugin (December 2, 1944 - September 22, 2016) passed away in Villejuif (France).

Prof. Carmine Trimarco (Pisa) has written an obituary, which is going to appear soon on the ISIMM forum
