1. ISIMM junior prize.

As it was announced in the July Newsletter, the funding of the STAMM 2014 in Poitiers will make possible to award a junior prize, too.

In order to increase the number of proposals, here we amend the age limits.

The recipient of the prize need not be an ISIMM member, is expected to have made significant contributions linking Mathematics and Mathematical Physics, and should have been born **after January 1, 1976**.

The awardee will be selected by the Executive Committee, on the basis of nominations proposed by ISIMM members. These nominations should include an (anonymous) account illustrating the activity of the nominee, and must be sent to

ulisse.stefanelli@univie.ac.at before October 7, 2013.

2. A new member.

Jun Li has been accepted by the Executive Committee as a new member of ISIMM.

With our best wishes,

Augusto Visintin (President),

Ulisse Stefanelli (Secretary-Treasurer)
